

Aluminium and aluminium alloys — Finstock —

Part 1: Technical conditions for inspection and delivery

The European Standard EN 683-1:2006 has the status of a
British Standard

ICS 77.150.10

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 683-1:2006. It supersedes BS EN 683-1:1996 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NFE/35, Light metals and their alloys.

A list of organizations represented on NFE/35 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 February 2007
