Resilient floor coverings — Specification for plain and decorative linoleum on a foam backing

National foreword

This British Standard is the UK implementation of EN 686:2011. It supersedes BS EN 686:1997, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/60, Resilient floor coverings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
