

BSI Standards Publication

Aluminium and aluminium alloys — Cold drawn rod/bar and tube

Part 7: Seamless tubes, tolerances on dimensions and form

National foreword

This British Standard is the UK implementation of EN 754-7:2016. It supersedes BS EN 754-7:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NFE/35, Light metals and their alloys.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
