

BS EN 80001-1:2011

BSI Standards Publication

Application of risk management for IT-networks incorporating medical devices

Part 1: Roles, responsibilities and activities

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 80001-1:2011. It is identical to IEC 80001-1:2010.

The UK participation in its preparation was entrusted by Technical Committee CH/62, Electrical Equipment in Medical Practice, to Subcommittee CH/62/1, Common aspects of Electrical Equipment used in Medical Practice, with contribution from IST/35, Health Informatics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
