Safety rules for the construction and installation of lifts — Lifts for the transport of persons and goods

Part 22: Electric lifts with
inclined path

National foreword

This British Standard is the UK implementation of EN 81-22:2014.

The UK participation in its preparation was entrusted to Technical Committee MHE/4, Lifts, hoists and escalators.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
