Safety rules for the construction and installation of lifts - Special lifts for the transport of persons and goods

Part 40: Stairlifts and inclined lifting platforms intended for persons with impaired mobility

National foreword

This British Standard is the UK implementation of EN 81-40:2020. It supersedes BS EN 81-40:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MHE/4, Lifts, hoists and escalators.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
