Safety rules for the construction and installation of lifts – Particular applications for passenger and goods passenger lifts

Part 73: Behaviour of lifts in the event of fire

National foreword

This British Standard is the UK implementation of EN 81-73:2020. It supersedes BS EN 81-73:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MHE/4, Lifts, hoists and escalators.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
