Safety rules for the construction and installation of lifts — Existing lifts

Part 82: Rules for the improvement of the accessibility of existing lifts for persons including persons with disability

National foreword

This British Standard is the UK implementation of EN 81-82:2013. It supersedes DD CEN/TS 81-82:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MHE/4, Lifts, hoists and escalators.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
