

Design of graphical symbols for use in the technical documentation of products —

Part 2: Specification for graphical symbols in a computer sensible form, including graphical symbols for a reference library, and requirements for their interchange

The European Standard EN 81714-2:2007 has the status of a British Standard

ICS 01.080.50

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 81714-2:2007. It is identical with IEC 81714-2:2006. It supersedes BS EN 81714-2:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/3, Documentation and graphical symbols.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2007
