

**BSI Standards Publication**

**Durability of wood and wood-based products —  
Accelerated ageing of treated wood prior to  
biological testing — Leaching procedure**

---

# National foreword

This British Standard is the UK implementation of EN 84:2020. It supersedes BS EN 84:1997, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/515, Wood preservation.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
