Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/543, Round and sawn timber, to Subcommittee B/543/1, Timber terminology and measurement, upon which the following bodies were represented:

British Timber Merchants' Association
 British Woodworking Federation
 Council of Forest Industries of British Columbia
 Department of the Environment (Building Research Establishment)
 Forestry Commission
 National Council of Building Material Producers
 National House-Building Council
 Royal Institute of British Architects
 Timber Packaging and Pallet Confederation
 Timber Trade Federation
 Trussed Rafter and Fabricators' Association
 United Kingdom Softwood Sawmillers' Association

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 October 1997
