

BS EN 9102:2015

Incorporating corrigendum June 2016

BSI Standards Publication

Aerospace series — Quality systems — First article inspection requirements

National foreword

This British Standard is the UK implementation of EN 9102:2015. It supersedes BS EN 9102:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European Aerospace Policy and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
