

BS EN 9104-001:2013

Incorporating corrigendum August 2013

BSI Standards Publication

Aerospace series — Quality management systems

Part 001: Requirements for Aviation, Space, and Defence Quality Management System Certification Programs

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 9104-001:2013. It supersedes BS EN 9104:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European Aerospace Policy and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
