Part 011: Reference process description
"Data preparation"

National foreword

This British Standard is the UK implementation of EN 9300-011:2013.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European Aerospace Policy and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
