

Tests for geometrical properties of aggregates

Part 11: Classification test for the constituents of coarse recycled aggregate

ICS 91.100.15

National foreword

This British Standard is the UK implementation of EN 933-11:2009, incorporating corrigendum November 2009.

The UK participation in its preparation was entrusted to Technical Committee B/502/6, Test methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009
