Tests for geometrical properties of aggregates

Part 3: Determination of particle shape
— Flakiness index

National foreword

This British Standard is the UK implementation of EN 933-3:2012. It supersedes BS EN 933-3:1997, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/502/6, Test methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
