Cable management systems — Cable ties for electrical installations

National foreword

This British Standard is the UK implementation of EN IEC 62275:2019. It is identical to IEC 62275:2018. It supersedes BS EN 62275:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/213, Cable management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
