Part 220: Particular requirements for control gear - Centrally supplied emergency operation (device type 19)

National foreword

This British Standard is the UK implementation of EN IEC 62386-220:2019. It is identical to IEC 62386-220:2019.

The UK participation in its preparation was entrusted to Technical Committee CPL/34/3, Auxiliaries for lamps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
