

BSI Standards Publication

Dependability reviews during the life cycle

National foreword

This British Standard is the UK implementation of EN IEC 62960:2020. It is identical to IEC 62960:2020.

The UK participation in its preparation was entrusted to Technical Committee DS/1, Dependability.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
