

BSI Standards Publication

Electrical installations for lighting and beaconing of aerodromes — Connecting devices — General requirements and tests

National foreword

This British Standard is the UK implementation of EN IEC 63067:2020. It is identical to IEC 63067:2020.

The UK participation in its preparation was entrusted to Technical Committee EPL/97, Aeronautical ground lighting.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
