

Geometrical Product Specifications (GPS) — Surface texture: Profile method — Metrological char- acteristics of phase correct filters

ICS 17.040.20

National foreword

This British Standard is the UK implementation of EN ISO 11562:1997. It is identical with ISO 11562:1996, incorporating corrigendum June 1998.

The UK participation in its preparation was entrusted to Technical Committee MTE/27, Properties and metrology of surfaces.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

Amendments/corrigenda issued since publication
