National foreword

This British Standard is the UK implementation of EN ISO 13119:2012. It supersedes DD CEN/TS 15699:2009 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/35, Health informatics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
