

Natural gas — Standard reference conditions

The European Standard EN ISO 13443:2005 has the status of a
British Standard

ICS 75.060

National foreword

This British Standard is the official English language version of EN ISO 13443:2005. It is identical with ISO 13443:1996, including Corrigendum 1:1997.

The UK participation in its preparation was entrusted to Technical Committee PTI/15, Natural gas and gas analysis, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request.
