

Paints and varnishes — Determination of pigment content —

Part 3: Filtration method

This European Standard EN ISO 14680-3:2006 has the status of a British Standard

ICS 87.060.10

National foreword

This British Standard was published by BSI. It is the UK implementation of EN ISO 14680-3:2006. It is identical to ISO 14680-3:2000.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Test methods for paints.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot of itself confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Sector Committee for Materials and Chemicals, was published under the authority of the Standards Committee and comes into effect on 15 July 2000
