Zinc coatings — Guidelines and recommendations for the protection against corrosion of iron and steel in structures

Part 1: General principles of design and corrosion resistance

National foreword

This British Standard is the UK implementation of EN ISO 14713-1:2017. It is identical to ISO 14713-1:2017. It supersedes BS EN ISO 14713-1:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/34, Hot dip galvanized coatings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
