

Corrosion of metals and alloys — Evaluation of stress corrosion cracking by the drop evaporation test

ICS 77.060

National foreword

This British Standard is the UK implementation of EN ISO 15324:2008. It is identical with ISO 15324:2000. It supersedes BS ISO 15324:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/NFE/8, Corrosion of metals and alloys.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Committee and comes into effect on 15 February 2001
