

Ergonomics of the thermal environment — Cold workplaces — Risk assessment and management (ISO 15743:2008)

ICS 13.180,

National foreword

This British Standard is the UK implementation of EN ISO 15743:2008. The UK participation in its preparation was entrusted to Technical Committee PH/9/1, Thermal environments.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2008
