Implants for surgery – Minimum data sets for surgical implants (ISO 16054:2019)

National foreword

This British Standard is the UK implementation of EN ISO 16054:2019. It supersedes BS EN ISO 16054:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/150, Implants for surgery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
