Plastics — Methods of test for the determination of the effects of immersion in liquid chemicals

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 175:2010. It supersedes BS EN ISO 175:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
