Resistance welding — Weldability

Part 1: General requirements for the evaluation of weldability for resistance spot, seam and projection welding of metallic materials

National foreword

This British Standard is the UK implementation of EN ISO 18278-1:2015. It supersedes BS EN ISO 18278-1:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/29, Resistance welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
