Woodworking machines — Safety

Part 8: Belt sanding and calibrating machines for straight workpieces

National foreword

This British Standard is the UK implementation of EN ISO 19085-8:2018. It is identical to ISO 19085-8:2017.

The UK participation in its preparation was entrusted to Technical Committee MTE/23, Woodworking machines.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
