Fibre-reinforced plastic composites — Shear test method using a shear frame for the determination of the in-plane shear stress/shear strain response and shear modulus

National foreword

This British Standard is the UK implementation of EN ISO 20337:2019. It is identical to ISO 20337:2018. It supersedes BS ISO 20337:2018, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/-/1, GB Co-ordination for International work on plastics standards.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
