

BSI Standards Publication

Non-destructive testing - Leak testing - Tracer gas method (ISO 20485:2017)

National foreword

This British Standard is the UK implementation of EN ISO 20485:2018. It is identical to ISO 20485:2017. It supersedes BS EN 13185:2001, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/46, Non-destructive testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
