

BSI Standards Publication

Textiles — Quantitative microscopical analysis — General principles of testing

National foreword

This British Standard is the UK implementation of EN ISO 20705:2020. It is identical to ISO 20705:2019.

The UK participation in its preparation was entrusted to Technical Committee TCI/80, Chemical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
