Paints and varnishes — Practical determination of nonvolatile and volatile matter content during application

National foreword

This British Standard is the UK implementation of EN ISO 22516:2020. It is identical to ISO 22516:2019. It supersedes [BS ISO 22516:2019](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Test methods for paints.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
