

BS EN ISO 23993:2010

BSI Standards Publication

**Thermal insulation products
for building equipment and
industrial installations —
Determination of design
thermal conductivity (ISO
23993:2008)**

National foreword

This British Standard is the UK implementation of EN ISO 23993:2010. It is identical to ISO 23993:2008. It supersedes BS EN ISO 23993:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/540, Energy performance of materials components and buildings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
