

Gas cylinders — Operational procedures for the safe removal of valves from gas cylinders

ICS 23.020.30

National foreword

This British Standard is the UK implementation of EN ISO 25760:2015. It is identical to ISO 25760:2009. It supersedes BS ISO 25760:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PVE/3, Gas containers.

A list of organizations represented on this committee can be obtained on request to its secretary.

The publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009
