**Workplace atmospheres —
Characterization of ultrafine
aerosols/nanoaerosols
— Determination of the
size distribution and number
concentration using
differential electrical
mobility analysing systems**

National foreword

This British Standard is the UK implementation of EN ISO 28439:2011.

The UK participation in its preparation was entrusted to Technical Committee EH/2/2, Work place atmospheres.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
