

Paints and varnishes — Determination of viscosity using rotary viscometers —

Part 1: Cone-and-plate viscometer operated at a high rate of shear

The European Standard EN ISO 2884-1:2006 has the status of a British Standard

ICS 87.040

National foreword

This British Standard was published by BSI. It is the UK implementation of EN ISO 2884-1:2006. It is identical with ISO 2884-1:1999.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Test methods for paints.

A list of organizations represented on STI/10 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Sector Committee for Materials and Chemicals, was published under the authority of the Standards Committee and comes into effect on 15 January 2000
