

BS EN ISO 3807:2013

Incorporating corrigenda January 2014 and November 2014

BSI Standards Publication

Gas cylinders — Acetylene cylinders — Basic requirements and type testing

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 3807:2013. It supersedes BS EN 1800:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PVE/3, Gas containers.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
