Textile fibres — Determination of breaking force and elongation at break of individual fibres

National foreword

This British Standard is the UK implementation of EN ISO 5079:2020. It is identical to ISO 5079:2020. It supersedes BS EN ISO 5079:1996, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TCI/24, Physical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
