

Pulps — Laboratory wet disintegration —

Part 2: Disintegration of mechanical pulps at 20 °C

The European Standard EN ISO 5263-2:2004 has the status of a
British Standard

ICS 85.040

Confirmed July 2009

National foreword

This British Standard was published by BSI. It is the UK implementation of EN ISO 5263-2:2004. This standard, together with BS EN ISO 5263-1 and BS EN ISO 5263-3, supersedes BS EN ISO 5263:1997, which will be withdrawn on publication of these standards.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on PAI/11 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 March 2007
