National foreword

This British Standard is the UK implementation of EN ISO 6341:2012. It supersedes BS EN ISO 6341:1996, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EH/3/5, Biological Methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
