National foreword

This British Standard is the UK implementation of EN ISO/IEC 15423:2010. It is identical to ISO/IEC 15423:2009. It supersedes BS EN ISO/IEC 15423:2005, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/34, Automatic identification and data capture techniques.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
