

BS IEC 60462:2010

BSI Standards Publication

Nuclear instrumentation — Photomultiplier tubes for scintillation counting — Test procedures

National foreword

This British Standard is the UK implementation of IEC 60462:2010.

The UK participation in its preparation was entrusted to Technical Committee NCE/2, Radiation protection and measurement.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
