

BS IEC 61671:2012

BSI Standards Publication

**IEEE standard for automatic
test markup language
(ATML) for exchanging
automatic test equipment
and test information
via XML**

National foreword

This British Standard is the UK implementation of IEC 61671:2012.

The UK participation in its preparation was entrusted to Technical Committee GEL/93, Design automation.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
