raising standards worldwide™

National foreword

This British Standard is the UK implementation of IEC 62016:2003.

The UK participation in its preparation was entrusted to Technical Committee GEL/93, Design automation.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
