Part 5-1: Measuring methods of optical performance

National foreword

This British Standard is the UK implementation of IEC 62715-5-1:2017.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
