

Implementation of
ISO 1048:1991

Photography — Exposed roll films — Identification

UDC 77.021.17

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee CPM/15, Dimensions of sensitized materials and related items, upon which the following bodies were represented:

- Association of Photographic Laboratories
- British Institute of Non-destructive Testing
- British Institute of Radiology
- British Kinematograph, Sound and Television Society
- British Photographic Association
- College of Radiographers
- Department of Health
- Institute of Reprographic Technology
- PICON

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Board, was published under the authority of the Standards Board and comes into effect on 15 August 1995
