Fibre-cement corrugated sheets and fittings for roofing and cladding

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 10904:2011.

The UK participation in its preparation was entrusted to Technical Committee B/3, Ad hoc co-ordination group for fibre reinforced cement products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
